Senior Night is October 25th. All parents of graduates are invited to contribute 1 large bag of candy to be used for your graduates Lei that we will give them during senior night at the football game. Parents will gather sometime during the week before senior night. Stay tuned. We'd like one parent of each graduate there to help make the leis.

End of Year Band Banquet has been confirmed for **Monday, November 11th at 6:30** pm in the cafeteria. It's our annual celebration with Olive Garden Spaghetti, salad, and breadsticks.

COMMITTEES: The marching season brings a lot of opportunities for parents to volunteer. We introduced four committees:

Competitions – Loading and unloading band instruments and equipment at all competitions & at Skyview and Bus chaperones to ride over and back with the kids

Food – Collecting food and packing it in cars for competitions, set up/clean-up/serving at competitions. Boosters will pay for the main food item for each competition; parents will donate other food items per competition.

Building Props & Equipment – We showed pictures of the equipment we need help building. We need people with skills, tools, and time to help with the labor. The boosters will pay for all supplies.

SIGN-UP GENIUS's will be posted weekly and needs will be included per competition. Watch your emails and our FACEBOOK page.

RAFFLE: This trailer is being raffled off in January of 2020. (Trailer size: 7x14 tandem axle)

Tickets are available to the public at \$25 each or 5/\$100.

A percentage of the proceeds will be given to the Skyview Boosters as a fundraiser. This trailer will be used this season to carry instruments and props to each competition. Skyview is also in need of a trailer for next season bigger than this one. We will most likely be purchasing one in 2020.

Spirit Pack: Items and orders on the band boosters website: <https://skyviewbandboosters.weebly.com/>.

There is an order form on this website where you can order Skyview Swag.

Many parents have purchased shirts/sweatshirts to

Wear at the competitions to support our students.

All students will receive a band shirt like this →

And a “show” shirt this year that is still in production.

Contact Mrs. Krall or a board member for details.

SPONSORS AND DONATIONS

If you own, or know of a business that would like to donate supplies or money as a tax deduction to the Skyview Marching Hawks Band, because we are a 501C non-profit organization. We have forms and letters you can give them to document their donation.
