

Parent Band Booster Meeting – May 29, 2018

Current Board Presidency:

Jeff Dunlap, President
Tim Yeomans, Vice President
Alee Gilbert, Treasurer
Kathy Chandler, Secretary

All current board members were voted on by booster members and each reinstated for the 2018-19 school year. Parents were notified of the \$10 PTA membership fee if they would like the opportunity to vote and have a say on decisions made in the boosters. We collected money after the meeting and afterwards found out that there is no link on the website to pay PTA dues. Please plan to pay \$10 dues at the next parent meeting.

Summer Fundraiser: Firework stand

Parents and students 14 years and up are allowed to work in the firework booth. Only adults 18 and over have permission to work the cash register. Each shift will consist of at least 2 adults and 2 students at all times. Opening day for sales will be on June 23rd and close at midnight on July 4th. We will be sending out specific time slots to work the firework stand on the “Sign-up Genius”, where you can sign up for the times you and your student would like to work. We will have an image posted on Facebook that you can share and advertise to your friends and family. We’d like as many people as we can get to buy their fireworks from us! This is our one and only fundraiser for the season. We’d like to earn more than \$8,000 this summer. It will take a little effort from all of us.

Idaho Gives is a day in May each year where people can donate to any non-profit organization they want online. We plan to promote this day next year and offer the opportunity for friends and family to donate to our non-profit booster group to support the kids.
