

Parent Booster Meeting Minutes - September 11, 2017

Mrs. Krall— Gave us an update on how the band looks and sounds. The smoky skies gave the band the chance to work on music indoors. This week they will be on the field practicing marching. She is confident they will be ready for competition.

Order forms for shirts were distributed to those in attendance. Orders are due to Mrs. Krall by Monday, Sept. 18th.

Order form is available on the Booster website: <http://skyviewbandboosters.weebly.com/marching-hawk-t-shirts.html>

Recap of Fundraisers –

Band Trailer—

- 1) Thank you to our Committee Chair, Brian Roberts and John's Scout project. The inside and outside of the trailer look great. We are getting closer to a final project.
